Re: Rasheem Smith v. The City of New York, Et Al  
18-cv-5079 (VSB) OTW

Dear Judge Broderick:

I represent the Plaintiff Rasheen Smith in the above referenced case. I write in response to the City's motion to compel the Plaintiff to provide the 160.50 Release and also to provide HIPPA authorizations in this case.

Counsel has sent a messenger to hand-deliver to the City of New York, the original executed copies of the 160.50 Release and the HIPPA authorizations the City requested.

Plaintiff's phone was broken and I could not reach him by phone. Although I had emailed him the papers, he was out of State (in Delaware) and did not check his email for sometime. He returned to New York yesterday and came to the Office late in the evening yesterday with an executed 160.50 Release and also signed the relevant HIPPA authorizations.

These authorizations were not provided earlier because my Client was out of town and had not been checking his emails and his phone was out of service and I could not reach him by phone.

Plaintiff has now executed the necessary authorizations and believe that the motion is moot.

Respectfully Submitted:
